

# RULES FOR SANITARY HYGIENE AND BEHAVIOUR

In order to protect our clients and work team, we present you here a few rules to adopt during your stay in the camping.

## RECEPTION

Wearing a mask is mandatory in the reception. Upon entry, hydro-alcoholic gel is at the client's disposal.

## FOR THE CAMPERS

The greeting is done at the reception, it is forbidden to enter without presenting oneself first. Our camping pitches are delimited and guarantee a safe distance between tents. You will be oriented for the choice of your place. External people are not allowed to enter the campground.

## SANITARY BLOCKS

Attendance is limited to one person per sanitary equipment (W.C., shower...).

In order to maintain physical distancing, a moving direction must be respected in the sanitary block., floor markings and wall panels will help to materialize the traffic.

Upon entry in the block you must wash your hands with the hydro alcoholic solution available.

We also invite you to wear clean sandals or flip flops inside.

The bins you can find in the corridors are only destined to the disposal of waste such as: napkins, tampons, diapers, cotton swabs, etc...

One in two urinals and dish sink will be closed to avoid close contact.

## CLEANING AND SANITISATION

Intervention schedule:

From 7h to 10h **1st reinforced cleaning** followed by sanitisation

From 16h30 to 18h **2nd reinforced cleaning** followed by sanitisation

Two disinfection passes are scheduled in the morning from 11h to 12h40 and from 20h to 20h40

It is forbidden to urinate outside under penalty of a 45€ fine.

## DISPOSABLE WASTE

Disposable masks and gloves and cleaning wipes are to be eliminated in the dedicated pedal bin available next to the reception.

It is forbidden to eliminate these wastes at risk of contaminating waste-sorting agents.

## WASTE SEPARATION

Today more than ever waste separation is essential, your collaboration is necessary and your sense of responsibility will avert our staff the daily risk of biological and chemical contamination from the sorting of non-separated waste.

**HERE IS A SHORT RESUME ON RECYCLABLE WASTE: (WHEN IN DOUBT PLEASE CONTACT THE RECEPTION)**

**YELLOW BIN:** every aluminum and plastic packaging, plugs and lids, plastic pots and bottles, pharmaceutical packagings, plastic bags, aerosols, cream tubes, etc...

**BLU BIN:** every paper document, catalogs, magazine, letters, envelopes, books, note blocks, prospectus, flyers, etc... it isn't necessary to remove paper clips or plastic covers.

**GREEN BIN:** all glass packagings without lids or plugs. **Do not put** crockery, lightbulbs or broken glass inside.

**GREEN BIN (RED LOGO):** domestic waste are to be sealed in garbage bags, you can ask at the reception if you don't have garbage bags, we will put them at your disposal.

**BLACK BIN:** This is container reserved for compostable waste, vegetables only, waste can be thrown directly in or in biodegradable bags available at the the reception.

## THREE SPOTS FOR WASTE SEPARATION ARE AT YOUR DISPOSAL

One near each sanitary block and a third one at the entrance of the campground where you'll also find a composter exclusively reserved for dog excrements (in which we ask you not to throw plastic bags, only biodegradable bags available at the reception).

### RENTALS EQUIPPED WITH INDIVIDUAL SANITARIES

Customer greeting is done at the reception, only one person per family or group is authorized to enter.

Our accommodations are cleaned and disinfected after each departure.

### **Depending on the evolution of the health situation, customers will be invited to bring their own bedding linen.**

To avoid over-loading their luggage bed linen is provided free of charge for customers travelling by air.

A bedding change is scheduled each week, to do so we ask the concerned customers to deposit the linens in the bags given at the reception upon request and to deliver them to us.

In each accommodation you will find a bin dedicated to compostable waste, biodegradable bags are distributed at the reception.

Visitors aren't admitted on the campground and the rentals are limited to the occupants.

### AT THE END OF YOUR STAY WE INVITE YOU TO:

Wash the dishes properly (using the dishwasher for the equipped rentals)

Collect the bedding linen into a pillowcase, several if bed sheets have been provided.

Leave the blankets on a chair, the staff will retrieve everything.

Open all windows upon leaving the accommodation.

The mops and brooms must be left on the terrace at the entrance of the rental.

### SERVICES

You can leave your ice packs at the reception until 20h00 and retrieve them in the morning before 10h00.

The service is chargeable.

Starting from July it is possible to rent 40l fridge lockers, informations and access hours are displayed at the reception.

To avoid an increase in health risk the camping's restaurant is closed.

Bar and bakery consumptions will be noted on your stay card, we favor payment at the end of your stay.

It is preferable to pay on the eve of departure, the checkout timesheet is displayed at the reception.

At the reception you will find informations regarding restaurants for takeaway or delivery.

***We thank you for the attention you will give to these regulations and for observing the few rules that we must apply during this period.***

***Your collaboration is precious and we trust your common sense.***

***We are committed through our daily work to create the best conditions for your vacation and make it a moment of serenity enjoyable to the fullest.***

***Corsica awaits you and welcomes you under the sun in its natural wonders.***
